One of the most important events of the sport calendar is docketed for Friday evening when the annual Kansas-Missouri indoor meet will be held in Convention Hall in Kansas City.

A retrospect of Tiger-Jayhawk indoor dual meets shows that in the sixteen years that these affairs have been promoted in Kansas City only once has Missouri tasted defeat. It was in 1913 that Kansas, by winning the final event, stacked up a total of 43 points as against the Tigers' 42. In the last two years the victories have been remarkably decisive. In 1918, the Jayhawk total was almost trebled by Missouri's all-round athletes.

The feature event of the evening as usual will probably be the one-mile relay. Missouri will probably be represented by her strongest quartet: Captain Barlow, Parker, Roney and Massengale.

The Tigers will be represented by a team of eighteen men led by Jackson Sholz in the sprints.

There's always room at the top

Catherine Hillix Says:

I heartily endorse FRED ELDEAN for Student President because I am sure that he truly represents the great majority of the students in the University of Missouri. An intense and active interest in student affairs has given him a thorough acquaintance with the problems of the student body, and I am convinced that he is the man for Student President.

CATHERINE HILLIX,
President Y.W.C.A.

Spurs are jumping over jackrabbits running the same way

Never was such a success. There's no "might" about it. Spur Cigarettes are there. Right off at the start, burning up the track, galloping home into public favor.

"There's Always Room at the Top." Spur Cigarettes were made to fit right in there. And they'll stay there.

That good old tobacco taste and fragrance—that satiny, imported paper—that smart-looking package. They show you something!

Spur Cigarettes are crimped, not pasted, making an easier-drawing and slower-burning cigarette.

Blended in a new way from choice home-grown and Imported tobaccos, to bring out that good old tobacco taste.

There's "class" in the "brown-and-silver" Spur packet with triple-wrapping that preserves Spur's taste and fragrance.

The world loves a winner. The grandstand is crowded. Hear 'em cheer! Spurs are galloping home. Are you on?

Albert Spalding

—the inimitable

Soldier-artist who fought for two years in Italy under Old Glory. America's greatest violin-virtuoso,—and accepted throughout the world as one of the greatest living masters of the violin. Hear him.

Wednesday Night
University Auditorium

The greatness of Albert Spalding is destined to live forever—for his art has been Re-Created by the New Edison. The New Edison's Re-Creation of Spalding's art has been compared directly with his living art and no one hearing him make the test could distinguish living performance from its Re-Creation. Come in and let us prove to you that a Re-Creation by

"The Phonograph With a Soul"

is as fine a musical performance as the living Spalding himself can give.
